

# Fulfilling Our Mission in Preventing Student Dropout for 35 Years and Counting!

## Who We Are

The Liberty Partnerships Program (LPP) was established in 1988 under Section 612, Subdivision 6 of the Education Law to address the significantly elevated, high school dropout rate among New York’s youth.

The authorizing legislation stated: “The failure of many young New Yorkers to complete their secondary education limits their opportunity for a life of fulfillment, prevents them from advancing into postsecondary education and hinders the State’s efforts to provide a well-trained workforce for business and industry in New York.”

## What We Do

Liberty Partnerships Program’s students receive a comprehensive pre-collegiate, dropout prevention program that aligns with their social-emotional learning needs. Each of the 51 LPP projects offers a variety of services to promote student achievement, improve high school graduation rates, and prepares students for postsecondary education and the 21<sup>st</sup> century workforce by ensuring equity of access. Our LPP projects served more than 17,000 students during 2022-2023.
