Our Resume

Liberty Partnership Program students graduate ready for the next chapter – whether it be the workforce, internships, or higher education.

Skills

Goal setting, project management, civic engagement, communication skills, social skills, mindfulness and calming strategies, financial literacy, teamwork and leadership skills

BOCES Summer Youth Employment Program, Binghamton

1992 – PRESENT

- LPP students learn professional skills and project management as BOCES Teen Leader Employees.
- Students execute civic engagement projects, such as building wheelchair ramps, painting murals, and cleaning up public areas.
- They also create and distribute care kits for Broome Oncology, Golisano Children's Hospital, and others.
- Students attend workshops on financial literacy, workforce development, and dress code.
- They learn the policies, procedures, and expectations of a work place.

College & Higher Education Preparation, Binghamton

1992 – PRESENT

- Every year, LPP students tour colleges and universities around NYS – bringing them one step closer to internships and fulfilling careers.
- Students tour college campuses across NYS, from NYC and Syracuse to Buffalo.
- At each campus, students learn about campus life and the application process.
- LPP students learn how to apply to scholarships, loans, and grants.
- Students attend speakers series, where they hear from professionals in a range of industries to learn more about potential career paths
